

**leadec**

**My mission. My team: Leadec.**

For our **Bosch Worcester site (with regular travel across the contract)** we are seeking a:

## **HSQE Advisor** (m/f/d)

**Your mission:**

- **Support** the Bosch Integrated Facilities Management contract, initially 26 sites nationwide in mainland UK with the implementation and maintenance of the company's HSQE policies, procedures and processes, and reporting on safety performance internally and externally (client).
- **Provide** leadership for HSQE within the contract;
- **Develop** and implement HSQE best practice;
- **Promote** compliance with Leadec Limited values and HSQE policies; ensuring compliance with current HSQE legislation as well as compliance with the customers' H&S policies and procedures.

**Your Profile:**

- **Experience:** Working within HSQE and working knowledge of HSE legislation; evaluation and preparation of safe systems of work; knowledge of CDM regulations and experience of working with subcontractors.
- **Expertise:** Health and Safety regulations and Legislation process and guidelines (Safety systems support).
- **Demonstrable skills:** NEBOSH National General Certificate or above; knowledge of CDM Regulations; 45001 Occupational Health and Safety Management systems, quality systems - (ISO-9001), environmental systems (ISO 14001) and excellent PC skills.
- **Personal attributes:** good communication and organisational skills, is a self-starter with a positive, can do attitude.
- **Languages:** Very good knowledge of English.

**What we offer:**

- Market Leading Salary
- Car Allowance
- Excellent Pension scheme
- Life assurance
- 33 days leave (inclusive of bank holidays) with the option to buy additional leave
- Cycle to Work Scheme
- Benefits portal which offer a wide range of discounts.

**About Leadec**

We are a passionate, global service champion who puts heart into everything we do for our manufacturing clients. We are skilled, reliable and all-round trouble shooters and we are great at dealing with emergencies where necessary. For more than 60 years, our customers have relied upon our services across their entire production process - from engineering to maintenance, from modernization to digitization.
