About Leadec

As service specialist to the manufacturing industries we put our heart and soul into what we do. Our customers have been relying on us for almost 60 years now. Our expertise revolves around the factory of today and tomorrow: We plan, simulate, automate, install and commission. With our maintenance, technical cleaning, facility management and logistics services, we ensure in the background that our customers' production runs optimally. And how do we do that? We're people who get things done, problem solvers, allrounders and we're great at dealing with emergencies where necessary. But above all, we're here to help.
