- **Expertise:** Extensive knowledge of PSW / PPAP / APQP • Full knowledge of Production and Quality Processes - Full knowledge of IATF16949 and 14001 quality standards, customer and supplier management
- **Skills and Abilitites:** Effective people management, Organisational skills, Customer facing skill, ability to prioritise work to tight time scales, computer literacy specifically MS Office.
- **Languages:** Very good knowledge of English

What we offer:

- Personal Accident Insurance
- Life Assurance
- Company Pension scheme
- 25 days annual leave plus bank holidays and service days
- Cycle to Work scheme
- Employee Assistance Programme (EAP)

About Leadec

As service specialist to the manufacturing industries, we put our heart and soul into what we do. Our customers have been relying on us for almost 60 years now. Our expertise revolves around the factory of today and tomorrow: We plan, simulate, automate, install and commission. With our maintenance, technical cleaning, facility management and logistics services, we ensure in the background that our customers' production runs optimally. And how do we do that? We're people who get things done, problem solvers, allrounders and we're great at dealing with emergencies where necessary. But above all, we're here to help.
