

My mission. My team: Leadec.

For our site in **Solihull**, we are seeking a:

## Cleaning and Waste Manager (m/f/d)

JLR Solihull

### Your mission:

- **Ensure** that the delivery of cleaning and waste management services meets and exceeds agreed SLA standards. Manage the client relationship and deliver a high level of service at all times,
- **Manage**, develop, motivate, and lead an established team of cleaning and waste operatives. Ensure effective communication with all members of staff. Recruit and train future employees.
- **Represent** Leadec on site, building and maintaining client relationships whilst actively promoting the Company's products and services. Take part in customer reviews and present results.

### Your Profile:

- **Training and qualifications:** COSHH/IOSHH Training
- **Experience:** Proven management / supervisory background. Familiarity with working in a factory environment. Experience of managing a team of cleaning / waste operatives.
- **Expertise:** Sound understanding of the waste industry and related Health and Safety regulations and legislation.
- **Demonstrable skills:** Computer literate (Outlook, Excel, PowerPoint). Understanding of cleaning and waste plant equipment.
- **Personal attributes:** Methodical and goal-orientated. A customer-focused, confident communicator who is able to lead and motivate others.
- **Languages:** English

### What we offer:

- Market-leading Salary
- Excellent Pension Scheme
- Life Assurance
- Employee Assistance Programme
- Cycle to Work Scheme
- Benefits Portal which offers a wide range of discounts.

### About Leadec

We are a passionate, global service champion who puts heart into everything we do for our manufacturing clients. We are skilled, reliable and all-round troubleshooters and we are great at dealing with emergencies where necessary. For more than 60 years, our customers have relied upon our services across their entire production process – from engineering to maintenance, from modernisation to digitisation.
